**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I don't want to see changes that will favor less efficient legacy-ISP in the "last-mile" of internet access.

We know that AT&T and USTelecom is trying to lobby the FCC on the topic of unbundled network elements.

This is a voting issue for me, and i do not want to see any further effort like this.
